PRODUCT DISCLAIMER

Frontline® Plus has been approved for sale in UK by the VMD. The US equivalent of this product has been approved for sale by the EPA.

Both the UK and US products contain the same active ingredients, Fipronil & (S)-Methoprene.

The UK versions have not been approved for sale in the USA. As a consequence, the UK packaging does not have EPA or FDA approval.

IMPORTANT NOTE: If swallowed call a poison control center or doctor immediately for treatment advice. For hazards to domestic animals the 24-hour assistance line within the US is 1-800-660-1842.
